Our tasting note

This traditional Barbaresco has a garnet-red colour and a wonderful aroma of dried roses in combination with a pleasant hint of spice. The flavours on the palate are multi-faceted, with a wonderful structure and elegance. Diverse and excellently balanced finish.

Figli Luigi Oddero

The vineyard Luigi Oddero e Figli is located in La Morra region. Luigi Oddero was a country gentleman with many diverse interests, a great sense of culture and a deep and instinctive love of his home region. He had a charismatic personality, was simultaneously progressive and conservative, was especially interested in technical innovations whilst at the same time never losing sight of his family history, which started with his grandparents in the 19th century. Even although Luigi experimented with international grape varieties, in the vineyard he always preferred Piedmont's most significant grape variety, the Nebbiolo. In recent years he chose the path of traditional winemaking where large wooden barrels are used almost exclusively. Since the death of Luigi, the business has been managed by his wife Lena, with the young oenologist Francesco Versio and sales manager Alberto Zaccarelli providing energetic support.
