Winemaking

The Barbera Bramé originates from an old Cru vineyard in the parish of Castellinaldo, which faces in a south- westerly direction. Following the traditional fermentation for 7 days at 28 °C, the wine matures in used barriques - which makes up 20 percent - and otherwise in large oak barrels.

Our tasting note

The Barbera Bramé captures the imagination with its rich ruby-red colour and violet reflection. It has an aroma typical for this type of wine, an aroma of cherries and vanilla. On the palate it is structured and pleasantly fresh in taste. A vine that produced soft and juicy grapes with a remarkable richness.

Deltetto

The friendly and modest Antonio Deltetto took over the family business in 1977 and transformed the former trading cellar into a pure self-pressing operation. The winery now spans over 21 hectares of vineyards. The main focus is on the white superstar Arneis, but the Deltettos also show healthy ambition and great skill in red wines. Today, the children Carlo, Cristina, and Claudia continue the family tradition - in harmony with nature, as their grandfather Carlo (affectionately called "Carlin") taught them.
