Winemaking

The Brut Nature Blanc de Blancs is a pure expression of the Chardonnays from Nogent l'Abbesse, vinified without the addition of liqueur. Its long aging on the lees gives it openness, finesse, and tension. The absence of dosage highlights the purity and minerality of the chalky terroir. The grapes come 100% from this terroir, which is farmed using biodiversity-oriented practices. Only the juices from the first pressing are used for the cuvée, ensuring both finesse and aging potential of the wine.

Our tasting note

Pale gold color with fine, lively bubbles rising gently. The nose reveals a mineral and complex bouquet with aromas of pear, quince, and grapefruit, impressing with its clear purity. On the palate, the champagne is straight and vibrant, with a harmonious interplay between pear and frangipani. The perlage is creamy, offering a pleasant texture. A fine bitter note leads to a delicate salty finish, elegantly rounding off the experience.

Champagne Laborde

Champagne Laborde is a rising, family-run winery located in the village of Nogent l'Abbesse, near Reims. Since 2018, Delphine and Pierre-Emmanuel Laborde have led the house with a clear vision: to craft terroir-driven, precise, and characterful Champagnes. The vineyards are situated on the chalky Mont de Berru – ideal conditions for elegant, mineral-driven sparkling wines with depth and freshness. As an oenologist with experience at Bollinger and Veuve Clicquot, Delphine brings exceptional technical expertise. The estate practices sustainable viticulture, avoids herbicides, and actively promotes biodiversity in the vineyard. The house's signature is unmistakable: tension, expression, and authenticity – Champagnes with soul, shaped by the soil, the climate, and the belief that true quality lies in the details.
