Deltetto

The friendly and modest Antonio Deltetto took over the family business in 1977 and transformed the former trading cellar into a pure self-pressing operation. The winery now spans over 21 hectares of vineyards. The main focus is on the white superstar Arneis, but the Deltettos also show healthy ambition and great skill in red wines. Today, the children Carlo, Cristina, and Claudia continue the family tradition - in harmony with nature, as their grandfather Carlo (affectionately called "Carlin") taught them.
