San Rustico

Since 1870, the San Rustico winery, located in the heart of the Valpolicella region, has been committed to the venerable tradition of viticulture. Today the winery is run by the fifth generation of the brothers Marco and Enrico Campagnola. The 22 hectares of vineyards are used to produce great, classic and typical wines of aristocratic expressiveness. Marco and Enrico personally accompany with passion and dedication the cultivation of the vineyards, the subsequent grape selection and manual grape harvest, as well as the traditional drying and ripening methods.
