Our tasting note

The Grappa Magari has a golden-yellow colour. It seduces the drinker with a fine bouquet with notes of raisins, almonds and different spices. Clearly structured and very harmonious to the end.

Ca'Marcanda

The Ca'Marcanda winery is exclusively owned by the Gaja family. It is located near Bolgheri and stands out for its magnificent architecture, which blends seamlessly with the Tuscan landscape. The area has an excellent climate for growing international grape varieties such as Cabernet Sauvignon, Cabernet Franc, Merlot and Syrah. Angelo Gaja has been planting roughly 120 hectares of vineyard since 1996. Despite that fact that he grows international grape varieties, Gaja certainly does not produce wines for international pallets, but far more wines that reflect the local terroir with its elegance, freshness and drinking pleasure.
