## Winemaking

The Tre Soli Tre grappa is obtained exclusively from Nebbiolo marc from the municipalities of Monforte d'Alba and La Morra. After discontinuous distillation, it is aged for 8 years in 225-litre oak barrels with various roasting stages.

## Our tasting note

Amber colour. Inviting, complex nose with aromas of ripe fruit such as cassis, apricot and sour cherry. Recurring aromas on the palate with delicate notes of cocoa and vanilla.

## Distillerie Berta

The imposing Distillerie Berta stands In Mombaruzzo, in Piedmont, surrounded by a picturesque hilly landscape. Berta is a long-standing family business, which was founded in 1947 by Paolo Berta. In the meantime the distillery is run by the two sons Gianfranco (production) and Enrico (sales). Today Berta is one of the leading producers of select grappas. Tre Soli Tre, Bric del Gaian and Roccanivo are some examples of unique grappas that the family business produces with great consistency from year to year.
