Silvio Carta, Zeddiani (Sardinia)

Limonello Ricetta Originale

Winemaker	Silvio Carta
Region	Sardinia
Alcohol	28% vol.

Winemaking

The company's own lemons are hand-picked early in the morning. After harvesting, the lemons are washed with natural water and then repeatedly soaked in pure alcohol for a period of 20 to 30 days.

Our tasting note

The Limonello has a light lemon yellow colour with hints of green. On the nose and palate, an intensive aroma of the raw material used, the perfectly ripened Mediterranean lemon. Unbelievably harmonious and with a gentle after- taste. Enjoy chilled with ice.
