Alcohol	13% vol.
Grapes	100% Pinot Noir

Winemaking

The 55-year-old vineyards are oriented east and grow on limestone and marl soils in the Bras, Cheseaux, Ormes, Les Porroux, Bas Chenevery, and Les Cognées plots. After pressing, the wines are clarified for two weeks and aged in barrels. The aging takes place with 30% in new barrels and 70% in barrels that are 1 to 5 years old. After 13 months of aging, the wines are transferred to tanks, rested for 3 months, and bottled without filtration or fining.

Our tasting note

Bright, intense ruby red. A delicate bouquet of dried roses, black currants, violet candies, accompanied by fresh and dried tomatoes, and notes of smoked buckwheat. On the palate, very fresh, with beautiful fullness, fine and digestible tannins, a well-balanced structure, and a long finish.

François Feuillet

The François Feuillet estate in Chevannes is the result of the collaboration between two different generations, united by a shared passion for wine: François Feuillet, a prominent French businessman, and David Duband, a young oenologist. François Feuillet fell in love with Burgundy and began purchasing vineyards in the 1990s, focusing on small parcels in the villages of Vosne-Romanée and Nuits-Saint-Georges. In the 1990s, François Feuillet also met oenologist David Duband, who had just completed his studies in oenology in Beaune. The two began a partnership that continues to this day. In 1998, Domaine François Feuillet produced its first Grand Cru Echézeaux, and since then, it has acquired some of the best Grand Cru and Premier Cru vineyards in the region. Today, the estate also includes vineyards in the villages of Gevrey-Chambertin, Chambolle-Musigny, and Morey-Saint-Denis. In winemaking, oenologist David Duband prefers a non-interventionist approach to produce typical, harmonious, and balanced wines that reflect the unique characteristics of each parcel.
