Our tasting note

This Vermentino has a light straw yellow colour with hints of green. On the nose, it instantly gives off a floral fragrance accompanied by exotic notes, such as pineapple and cinnamon. On the palate, mature fruity aromas of greengage - the queen of the plums - and a creamy well-integrated acidity. Lingering mineral after-taste.

Silvio Carta

Since the start of the 1950s, the Carta family has been producing exquisite wines, liqueurs and distillates in the sleepy coastal town of Oristano. Today, tradition and innovation go hand-in-hand, and always in harmony with quality and naturalness. The company philosophy harmony of nature is reflected in all of its products.
